

Rent your rocks- no really!

Ever had a Holly Golightly moment when you've found yourself gazing into the windows of the most lust worthy jewellery boutique when that one special gem catches your eye? Well we couldn't have come across Rentyourrocks.com at a more convenient time. What with the party season a-coming and a recession looming - why not rent your party jewellery! All you have to do is find you're your perfect party look, browse through a fabulous selection of jewellery and rent it for a minimum of a week or however long you wish on Rentyourrocks.com. Membership is £10 a year and rent prices start from £100. We're loving the Kaleidoscope coloured jewels and have our eye on the Bamboo earrings (a cluster of citrines, diamonds, amethyst, tourmaline and topaz retailing at £3035) at only £205 a week. Hey, if it's good enough for Carries' assistant in SATC the movie...Check out some of of the pieces to rent below.
